Fashion Valley Company Store OPENING ON 19 NOVEMBER

We have constructed an idea

Fashion Valley is the new company store located in Leccio, Reggello, in the heart of Tuscany. Our company has built it. Just a 30 minute drive away from Fashion Valley is Florence, city of art, culture and high society, the home of creative designers and the location for some of the most important events in the fashion world. Fashion Valley covers an area of 5.500 sq.m, with 32 boutiques with clothing, accessories and home furnishings of leading international brands. The inauguration is set for the end of November 2011. As well as enhancing the surrounding area from an economic and prestigious point of view, Fashion Valley is an architecturally innovative and environmentally sustainable construction.
